

May 4, 2022

To Whom It May Concern:

This letter is to verify that Bojan Golic has met all graduation requirements for the Full Stack Web Developer Coding Boot Camp at George Washington University, for the period of August 2021 through February 2022. Bojan has exceeded the graduation requirements and is a successful graduate of the program.

- **Course Name:** Full Stack Web Developer Coding Boot Camp
- **Location:** 950 North Glebe Rd. Arlington, VA (virtual classroom)
- **Course Duration:** 24 weeks
- **Course hours:** Approximately 240 hours in class
- **Average weekly hours:** Approximately 20 hours of outside class time is required
- **Course Description:** Through immersive instruction, students gain coding skills using a broad array of programming tools like HTML, Node, JavaScript, SQL, MongoDB and more. Working individually and in teams, they applied their skills toward building an impressive professional portfolio to succeed in today's tech-driven economy.

To successfully complete the course, a student must:

- Complete 90% of the homework assignments.
- Complete 100% of assigned projects.
- Attendance must be maintained at an 85% rate.

Bojan Golic has met all of the above requirements and will be receiving their certificate of completion. Please do not hesitate to contact me to verify any of the above information.

Sincerely,
Ali Rotello
